About Me

☐☐ Hi, I'm Sulis

I'm a **Cloud Engineer** who enjoys working with infrastructure, automation, and scalable systems.

☐☐ Tech Focus

- OpenStack
 - Kubernetes
 - Ceph
 - Linux
 - Automation
-

☐☐ Why I Created This Blog

To simplify complex infrastructure problems and share solutions that actually work.

“☐☐ Everything here is based on real-world experience.”

Privacy Policy

At **32Inside**, we value your privacy.

Information We Collect

We may collect basic information such as browser type, pages visited, and time spent on the site.

Cookies

This website uses cookies to improve user experience and serve relevant content.

Third-party vendors, including Google, use cookies to serve ads based on prior visits to this website or other websites.

Users may opt out of personalized advertising by visiting [Google Ads Settings](#).

Data Protection

We do not collect personal data unless voluntarily provided (e.g., via contact form).

Consent

By using this website, you consent to our Privacy Policy.

Disclaimer

All information on this website is published in good faith and for general informational purposes only.

No Guarantees

We do not make any warranties about completeness, reliability, or accuracy.

Any action you take based on the information found on this website is strictly at your own risk.
